#### FOREIGN NEWS.

PHILADELPHIA, Nov. 28. -- A London cable dispatch to the Public Record says: "Russia has agreed to a conference on the Eastern ques-

tion. LONDON, Nov. 28 .- The Times this morning contains St. Petersburg dispatches of a more

No collision between Russia and England is now probable. It has been definitely settled that a meeting

of the foreign ministers of the Powers interested in the treaty of 1856 shall take place in England in January.

Dispatches from Tours announce that a se-

vere and general engagement is in progress. French victories along the Loire are claimed, and it is reported that the Germans have been routed and are retreating. LONDON, Nov. 28 .- The feeling in financial circles to day is much more healthy. The fear

of a rupture in the relations between Great Britain and Russia, on the question of the Black sea difficulty, is gradually abating among all classes of people. The Times this morning hopes the answer to

Gortschakoff which goes forward to St. Petersburg to-day, will be firm and conciliatory. A protest from the Italian government was sent to St. Petersburg on Saturday last.

Odo Russell dined yesterday with King William at Versailles. He was well received. He subsequently had an interview with Bismarck. The latter said : While adhering to a conference, and having no concert with Russia, he was surprised at the action of Gortschakoff. Prussia, however, decined to intertere in the matter. LONDON, Nov. 28-11 a. m. - News from

France to day is meagre and unimportant. The Paris Figure implores the French Government to conclude peace, the defence of Paris

being impossible. The Tours journals of Saturday speak of the extraordinary activity of the War Department. LONDON, Nov. 28 .- James Stuart Wortley

died yesterday, aged 65 years, LONDON, Nov. 28-2:30 p. m.-The following important dispatch has just been received

Tours, Nov. 28 - Forencon .- A battle occurred yesterday between Villiers and Salen, near Amiens, in the department of Somme, which lasted all day. The French maintained their positions up to half past four in the afternoon. when the town of Villiers was abandoned before the superior forces and artillery of the Prus-

The French were subsequently beaten at Bo ves, a few miles west of Villers, but at Durry maintained their positions until nightfall. Three thousand Germans were engaged in the conflict at the latter place.
VERSAILES, Nov. 27-via BERLIN AND

LONDON, Nov. 28 .- The settlement of the Black Sea question may be hoped for on the hasis of a conference and the withdrawal of the Russian note. After Constantinople and St. Petersburg had been rejected as the seat of the proposed conference, London was agreed upon. Russia is entirely peaceable.
MADRID, Nov. 28.—The Counts of Cheste

and Calange have accepted the amnesty offered by the Government. They have sworn fidelity to the constitution and been restored to their Captain Generalships.

#### From Boston.

Boston, Nov. 28 .- Charles E. White, aged 22 years, living with his parents in this city, committed suicide by taking poison yesterday. He was suffering from a disease.

John Mallory was choked to death while eating breakfast at East Cambridge yesterday. and four consecutive hours was summarily growth of the hair and the speedy removal of closed by his arrest for giving an exhibition without a license.
